IIM-S envisions “To become an internationally recognized management Institute with a global outlook grounded in Indian values”.

The core values constituted within IIM-S are:

- Intellectual Freedom
- Adherence to Fair, Just and Ethical practices
- Openness to New Ideas and Experiences
- Compassion for Others
- Self-Experimentation and Creative Pursuit

In this article, we will tell you everything you need to know about the IIM Shillong. So let's get started.

IIM Shillong Admission Eligibility Criteria

It is essential to check the IIM S Eligibility Details before proceeding so as to avoid last-minute disqualification. Check all the details concerning IIM Shillong Admission Eligibility Criteria below

- Candidates applying for admissions at IIM-S must possess a bachelor's degree with 50% marks (or equivalent CGPA, relaxed to 45% marks/CGPA for SC/ST/DA^ category students) ^DA here refers to Differently Abled and is used against the term Person with Disability (PwD)

- The bachelor's degree or equivalent must be a minimum 3-year course completed after his/her 12th standard at school
- In case the candidate is awarded grades/CGPA instead of marks, the same should be converted to percentage as per the university's norms. However, if there is no such mention of any norm by the institute/university, the equivalence would be made by dividing the obtained CGPA by the maximum obtainable CGPA and multiplying the result by 100
- Candidates who are in their final year of graduation can also apply for admission to IIM-S by taking the CAT exam (usually happens in the last week of November every year)

IIM Shillong Admission Process for PGP 2021-23 Batch

Understand the Admission Process for PGP 2021-23 Batch in IIM S.

- First of all, candidates seeking admissions need to fill the CAT form (however, international students must fill the GMAT form and get admissions through GMAT score in place of CAT) in which they need to select all the programmes of IIM-S in which they are interested

- Indian candidates have to then appear for the CAT examination (which usually happens in late November every year)
- There is a specific cut-off score/percentile set by the IIM-S for every CAT based programme and the students need to score at par or above that in order to get themselves screened-in for the subsequent rounds

The admission in IIM-S happens in 2 phases.

The details about all three of them is given below

IIM S Admission Process Phase 1 (Shortlisting for GD and PI)

A minimum eligibility criteria is applied to all the candidates who have opted for IIM-S to get them one step closer to the GD & PI rounds. The eligibility criteria table is given below:

As you have gone through all the details about the IIM-S above, one thing is quite clear that getting admission to this college is not that easy. But one who dedicates him/herself completely towards preparing well for this institute would never find anything 'impossible' or 'beyond his/her scope'. We suggest all our aspirants to prepare well, and most importantly read a newspaper daily. 'The HINDU' is one such paper we recommend. Reading will not only enhance your knowledge but also will help you in enhancing your hold over Verbal Ability. Practise at least 40-50 questions each day from Quantitative Aptitude and Logical Reasoning. You need to create a good balance between your speed and accuracy. The questions you will be asked in CAT (or GMAT) will be of 10th standard only. So your need to work on your speed to solve as many questions in as less time as you can.
