IMT Ghaziabad Admission

IMT Ghaziabad accepts students on the basis of their CAT, XAT or GMAT scores.

In the second round, IMT selects you on the basis of your performances in the three stages. Those three stages are as follows:

1. Critical Thinking: This test will be of 30 minutes. Evaluation of the candidates will be done on three parameters and they are:
 - Critical Thinking
 - Written Communication Skills
 - Innovation and Creativity
2. Group Exercise: In this candidates will be given a task to perform in the groups
3. Personal Interview Round: 15 minutes of face to face interview round will be conducted. The candidates will be judged on the following parameters
 - Communication Skills
 - Domain Knowledge
 - Versatility
 - Values and Maturity

- The final merit of the candidate will be a cumulative weighted average which has the Academic Scores, Work Experience, and the scores obtained during the CT-GE-PI process.

IMT Ghaziabad Facilities

IMT Ghaziabad has a lush green campus spread over 14 acres. The institute has recently renovated Management Development Resource Centre (MDRC) Hostel block, placement office, and conference/committee rooms, equipping them with the latest technology and infrastructure support.

Facilities provided by the institute are-

- Academic Block- The academic building showcases modern architecture, offers cutting-edge teaching facilities, and gives the precinct a dynamic and vibrant atmosphere in its celebration of

open spaces and natural light. The academic block houses 15 smart futuristic classrooms, each equipped with the finest audio-visual and interactive technology.

- IT Infrastructure- IMT has a fully Wi-Fi enabled campus with around 1000 nodes connected with a backbone of 10 Gbps fiber connectivity with multi-layer, high-end Cisco campus-wide network. IMT has 420 Mbps (1:1) Metro Ethernet connectivity which can be upgraded to 1 Gbps on demand.
 - The finance lab has a full-fledged 12 Bloomberg, which is unique in India. This enables integration of the latest technology in the curriculum, making it industry-ready.
 - Real-Time Contextual Laboratory (RTCML) adds a major differentiator to IMT Ghaziabad to make Digital marketing and Consumer Insights domain unique not just in India but globally. RTCML hosts a number of proprietary tools (Salesforce marketing cloud-social studio, Hoot suite) and open-source Digital Marketing, CRM and Analytics tools (Tableau, R, SAS, NVivo) for a wide array of functions like audience sentiment measurement, marketing automation, other customer-facing functions, and data processing and visualization.
 - Media and Entertainment Lab (MEL) is an in-house research laboratory and a case development center, for discovery, interpretation, and documentation of trends in Media and Entertainment. In collaboration with industry leaders, we aim to create a new stock of knowledge in the area.
 - The Smart Analytic Decisions Lab serves the need of the students who go for specialization in the Analytics track. Renovation of old computer labs has been completed, and now all the labs will have a total of 244 HP AIO desktops using the latest technology to serve the requirement of IT/Systems.
- Housing- A fully Air Conditioned new block of the hostel is under construction with state of the art recreational facilities. This hostel block will house 500 students, the phase I of the said hostel has already been operational since June 2018. 300 students are already staying in this hostel.
- An elegant auditorium building adds to the beauty of the campus and can accommodate 570 seated guests. It offers a spectacular venue for large conferences, seminars, film screenings, presentations, theatre and cultural performances of all kinds. Its audio-visual facilities promise guests a memorable experience every time they grace an occasion on campus.
- Other facilities at the institute include separate hostels for male and female students, extensive library facilities, seminar halls, reading halls, outdoor and indoor sports grounds, and medical room for staff, students, and visitors. The college mess offers both vegetarian and non-vegetarian food.

IMT Ghaziabad FAQs

Ques. How do we submit copies of CAT, XAT, CMAT, and GMAT scores?

Ans. The copies of CAT and XAT scores are sent to IMT by the agency conducting the test. For applicants who have received a final admit offer from IMT is suppose to send official GMAT scores via GMAC. For the purpose of Application processing, the GMAT score needs to be updated through the IMT Admissions Portal. Applications are processed provisionally.

For the CMAT score, you need to update through IMT Admissions Portal. The official scorecard will be verified during the Admissions process in February and needs to be submitted in case you are selected for IMT Nagpur or IMT Hyderabad.

Ques. What factors are considered in shortlisting applicants for the selection process?

Ans. For IMT Ghaziabad, applicants are short-listed on the basis of CAT / XAT / GMAT scores. For IMT Nagpur & Hyderabad applicants are short-listed based on one of the following admitted scores: CAT/ XAT / CMAT / GMAT score.

Ques. What are the specialization tracks offered under PGDM?

Ans. The institute offers PGDM program under six different specialization tracks, such as-

1. Marketing Management
2. Finance Management
3. Human Resource Management
4. Information Management & Analytics
5. Operations Management
6. Strategy, Innovation & Entrepreneurship

Ques. What is the seat intake of this institute for PGDM programs?

Ans. The seat intake of the programs is given below:

- IMT Ghaziabad has the approval of 420 seats in PGDM
- 60 seats in BFS and 180 in Dual Country PGDM

Ques. What are the parameters that determine the final selection to the PGDM program?

Ans. The final merit of the candidate is a cumulative weighted average of the following components:

- Test score Percentile (best score in CAT/XAT/GMAT/CMAT*)
- Academic score & Quality of graduating institute/university/college
- Work experience
- Academic Diversity
- Group Exercise
- Personal Interview

Ques. Does IMT have links with banks for student loans?

Ans. Yes. IMTG has links with various Indian Banks. Applicants need to visit the branches of these banks directly with Admission offer letters (if offered admissions in any campus of IMT) to avail the loan facilities.

Ques. What is the application process for international applicants?

Ans. Application process is the same as regular candidates. Candidates have to fill the online application form on www.imt.edu/admissions2020 and pay the application fees to be considered for IMT.

Ques. What is the expected placement?

Ans. On an average 30 percent of IMTG graduates are recruited by companies operating in the BFS sector and 13 percent are recruited by consultancy firms. Some of the Companies, which recruit IMT graduates are, Deloitte, Goldman Sachs, Citi Banks, KPMG, PWC, HSBC, Accenture, Credit Suisse, ICICI Bank, Tata Capital and Royal Bank of Scotland. All the 131 students of PGDM (Finance) Programme (2017-19) batch have been placed. The batch size of the PGDM (Finance) Programme (2020-2022) is targeted at 60. Therefore, the placement of students of PGDM (BFS) is almost assured, although IMTG cannot guarantee placement. The placement is expected to be as good as PGDM (Finance) graduates, if not better.

Ques. What is the Eligibility Criteria for International Admission (NRI / Foreign Candidates)?

Ans. The Eligibility for international applicants is CAT/XAT/GMAT. In case you are taking the CAT or XAT, please update your roll number and registration details. We will take the official scores from the testing agency. In the case of GMAT, please update your GMAT roll number and scores.

Ques. Can I file more than one application and appear more than one time in the selection process?

Ans. No, you can not appear more than one time in the selection process. It will be deemed as a fraudulent activity if one attempts to appear more than once. To ensure this your Identification document will be checked at the time of the Selection process and your final registration process at IMT Campus.
